Dear Principal:

SOLARO (Student Oriented Learning Assessment Reporting) is an on-line tool that students, teachers and parents can use to explore collaborative learning and achieve higher student engagement and performance. This product is available for grades 3 – 12 in Mathematics, Science and English Language Arts.

SOLARO is being offered to all Treaty 8 First Nation students who live on reserve and attend provincial schools whose tuition is paid for by their First Nation. We realize there are Treaty 8 First Nation students attending your school who would qualify for SOLARO. Treaty 8 First Nations of Alberta is giving the First Nation students this product for free.

Enclosed please find information on the SOLARO product and how it will benefit the student.

If you have any questions please do not hesitate to call me or Kaia Lamothe at Treaty 8 First Nations of Alberta toll free 1-888-873-2898.

Sincerely,

Dale Awasis  
Director of Education
